

Welcome to the Parent Portal - your quick, one-stop access to school information!

An App is also available for Android and Apple devices.

Your one-page dashboard displays your messages, upcoming events, parent letters and a summary of recent behaviour, punctuality and assignments/homework for each of your children.

Do you already have a Parent Portal account?

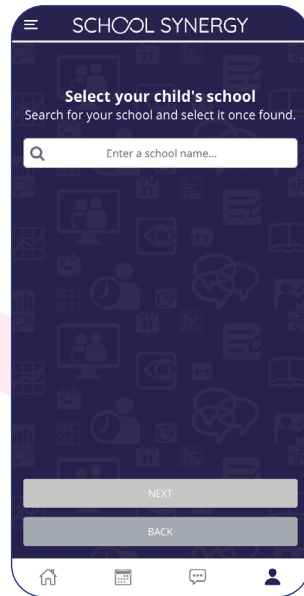

Yes! I already have a Parent Portal account.

Yes

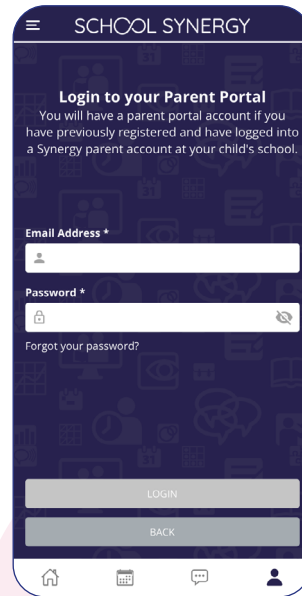

No

1 Great! Let's log in. When asked if you have an account, select Yes.

2 Start typing your child's school name or postcode. Select the school from the list.

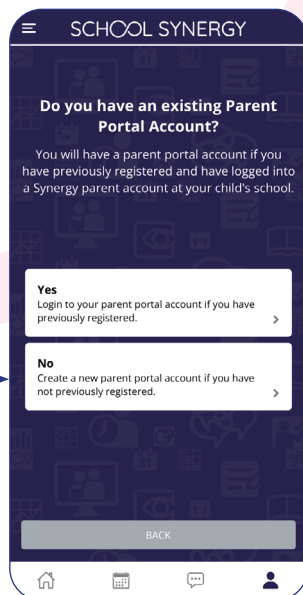

3 Fill in your Parent Portal log in details as you would on the web and click log in. You are now logged in!

No. I do not have a Parent Portal account.

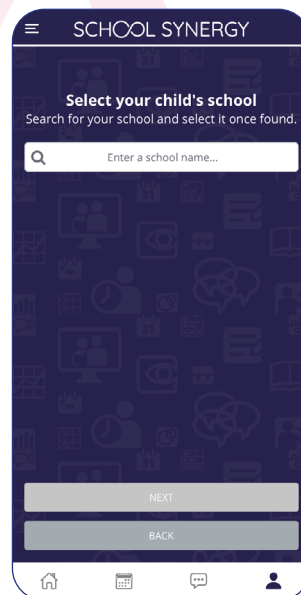

To register, you'll need a Student Code

These are unique to you and your child and cannot be shared. Each parent or carer must have their own registration letter given by school.

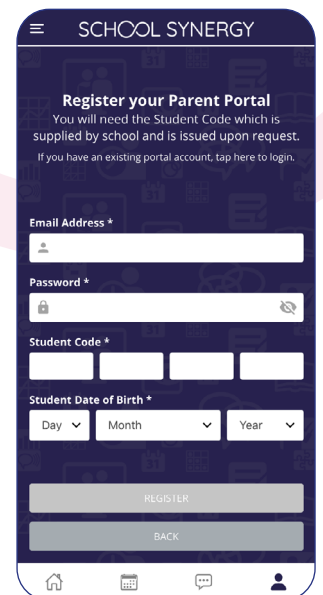

Contact school if you have not been issued with a code or would like a family member to have access.

1 No problem, let's register. When asked if you have an account, select No.

2 Start typing your child's school name or postcode. Select the school from the list.

3 Fill in your details and your child's code to register. You are now logged in!

Parent Portal – how to register using the web portal (website)

You can use either the App or the web portal to register and access your account.

School will have sent you a letter with a unique student registration code for each child.

These are unique to you and your child and cannot be shared. Each parent or carer must have their own registration letter given by school.

Contact school if you have not been issued with a code or would like a family member to have access.

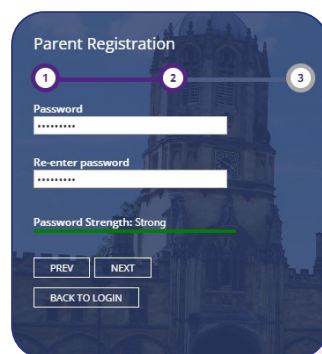

Example registration code from school

Parent/Carer:	Mrs M Amoso
Student:	Rosanna Amoso
Form:	10F
Student Code:	5377D-50-B8CB9-22

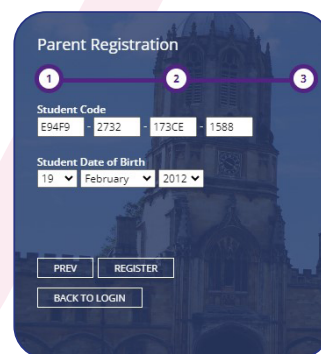

1 Follow the School Synergy link from the school website or copy from the school letter, and click 'Register Parent Account'.

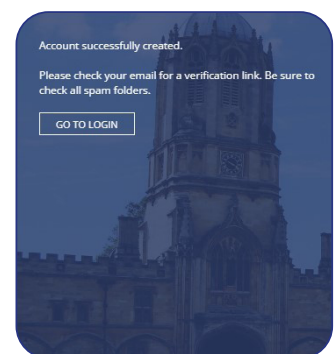

2 Add your email and mobile number (optional). Click 'Next'.

3 Add a secure, unique password. We recommend using a mix of upper, lower case and special characters. Click 'Next'.

4 Add the Student Code issued by your school, and your child's date of birth. Click 'Register'.

5 Click the activation and verification link sent to your email. Check your spam folder if not received within a few minutes.

What's the difference between using the Parent Portal App and the web portal?

When using the web portal, the website you use is linked to the specific school and only the children that attend that school will be attached to your account. Using the App you can connect children from any school using Synergy and all will be attached to your Portal account.

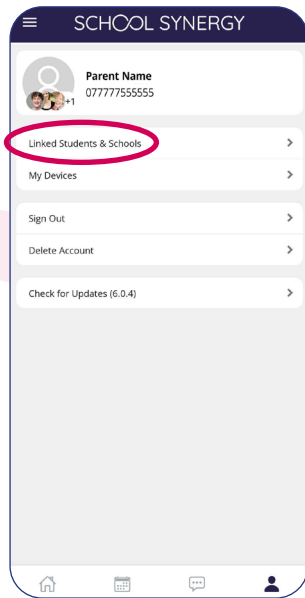

Adding more children to your account

If you have more than one child at school, they can be added to your Parent Portal account. You do not need to register again.

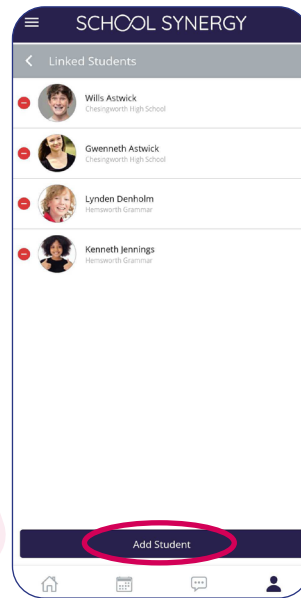

Parent Portal App

1 Open the App and tap the icon on the bottom right, or from the side menu, tap 'My Account'.

2 Tap 'Linked Students & Schools'.

3 All children currently linked are listed. Tap the 'Add Student' button at the bottom of the screen.

4 Select your child's school from the list, then add their Student Code and date of birth.

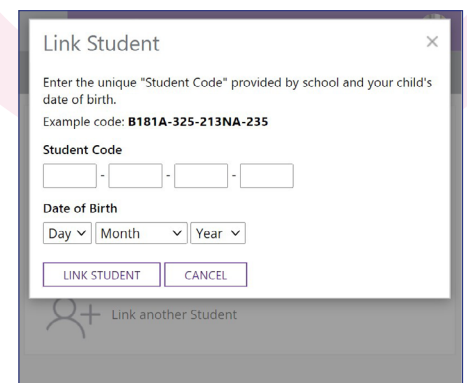

Parent Portal web portal (website)

1 Log into the Portal, open the side menu and click 'Manage Students'.

2 Click 'Link another student'.

3 Use the Student Code from your school registration letter and their date of birth.
