The Year 10 Internal Exams are an important part of the ongoing assessment of KS4 pupils and should be prepared for and treated exactly as final GCSE exams will be at the end of Y11. The timetable is subject to change – pupils and parents will be informed several weeks in advance to allow time for thorough preparation and revision. Pupils will be made aware of the topics covered in these exams via their subject teachers.

All Exams will take place in the Sports Hall under normal exam conditions, unless otherwise detailed above. For pupils with Special Requirements in Exams, appropriate accommodation will be arranged.
